

Hazardous Weather Conditions - Wind Advisory

The National Weather Service has issued another [high wind warning](#) effective now through 6 p.m. Wednesday, January 15. Please be mindful of your surroundings when on campus including the possibility of falling trees and branches, as well as wind-blown debris.

For more information, visit the [National Weather Service](#) website.

Be safe and please report any safety-related concerns to the Facilities Management Service Desk at (949) 824-5444.

Sandra Conrrad

Interim Executive Director
Environmental Health & Safety

Matthew Gudorf

Assistant Vice Chancellor
Facilities Management
