## Personal Protective Equipment

The item(s) below should be provided to you:

- Chemical Splash Goggles
- Lab Coat - Barrier
- Lab Coat - Flame Resistant
- Lab Coat - Traditional
- Safety Glasses

The item(s) below should be available in your lab:

- Chemical-resistant Apron
- Face Shield

### Notes:

Under UC Policy, full-length pants (or equivalent) and closed-toed/closed-heel shoes must be worn at all times by all individuals who are occupying or entering a laboratory or technical area. In all cases, chemical splash goggles can be substituted for safety glasses and provide a higher level of protection when working with large quantities of material. For splash or impact protection, either chemical splash goggles or safety glasses need to be worn under face shields.
